# Vision

**U of T Magazine** is the official magazine of the University of Toronto, reaching 330,000 highly educated, affluent and engaged readers

Each issue of *U of T Magazine* features stories about groundbreaking ideas and innovations, written by leading Canadian journalists. We chronicle the often untold stories of alumni who have taken leadership roles in Canadian business, politics and culture. We document the trends affecting post-secondary education in Canada and the country's largest university campus.

We engage readers with compelling ideas, intelligent and thought-provoking articles, dynamic photos and

illustrations and enticing display copy. We don't tell readers how U of T is making a difference; we show them – by capturing in well-written stories just how vibrant and innovative this university is.

The University of Toronto is Canada's leading post-secondary institution, with the country's largest and most diverse alumni community. By advertising in *U of T Magazine*, you'll reach the influential thought leaders of today – and tomorrow.

## Goodbye to Cars!

U of T embarks on a bold plan to restore, renew and beautify the historic St. George campus

**WHAT WAS OLD WILL BE NEW AGAIN.** And what is new will be harmonized with the old.

After months of study and public engagement, the Landscape of Landmark Quality competition has selected a consortium of KPMB Architects, Michael Van Valkenburgh Associates (MVVA) and Urban Strategies to restore, renew and beautify the central spaces of the University of Toronto's historic St. George campus.

"This was a difficult decision owing to the great imagination shown by the entrants," says Scott Mabury, U of T's vice-president of operations and co-chair of the Landmark Committee overseeing the competition. "The quality of the submissions has redoubled our conviction that this project is entirely worthy of the time and resources it will entail."

The winning proposal, which envisions a car-free necklace of paths around King's College Circle, a stately column of oak trees along Tower Drive and granite surfaces in place of asphalt and concrete, is a point of departure, not a final blueprint. The eventual design will depend on what the development team learns through further public consultations.

# Inserts and Polybagging

---

---

## WHAT IS POLYBAGGING?

---

Polybagging is co-mailing your titles with a copy of *U of T Magazine*. It is a cost-efficient alternative to mailing your brochure or publication on its own. This does require you to align your publication's printing schedule to ours (*U of T Magazine* is typically published in April and September).

*U of T Magazine's* polybagging services allow our clients to zone by geographical location; choose an audience based on factors such as age, gender, degree, field of study; and even target mailing through the Prizm segmentation system, which groups readers according to consumer behaviour such as shared demographics, lifestyles, values, household income, marital status, education and dwelling type.

With *U of T Magazine* polybagging, campus clients also enjoy:

- Greater postal discounts: The cost of mailing a magazine or newsletter up to 30g in a company envelope is over \$1.70 per piece for Canadian addresses, and publications mailing can range from 54¢ to 60¢ per piece. The costs of mailing to the U.S. and internationally are significantly higher. Our rates start as low as 40¢ per piece when co-mailed with *U of T Magazine* — this includes mailing to Canada, U.S. and international recipients. Rates are not subject to HST.
- Access to our audience: By polybagging with *U of T Magazine*, your piece will be targeted to our highly educated, affluent and engaged readers.
- Environmentally friendly option: Our poly (wrap) material is biodegradable and designed to be completely recyclable.

## CONTRACTS

The publisher is not bound by any conditions, printed or otherwise, when such conditions conflict with the rate card or the publisher's policies. Contracts cover any 18 months, starting with the first insertion.

The advertiser and/or advertising agency assume liability for all content (including text, representation and illustration) of each advertisement printed and also assume responsibility for any claim arising from there against the publisher. The advertiser and/or its advertising agency agree that *U of T Magazine* shall be under no liability for its failure, for any cause, to publish any advertisement.

---

## TERMS

Advertisers and their agencies have dual liability to the publisher in the event of non-payment for advertising. The agency is responsible for the client, and vice versa, notwithstanding any statements to the contrary on agency or advertiser insertion orders or contracts.

---

## RATE REVISIONS

The publisher reserves the right to change these rates at any time. Existing contract rates are guaranteed only for the next three issues from the date of acceptance of the contract.

---

## PAYMENT

The publisher is entitled to payment as herein provided, upon having completed the printing and taken reasonable steps to distribute the publication. Payment is due in Canadian funds at the space closing date at *U of T Magazine*'s office unless credit has been granted.

---

## CREDIT

Where credit has been granted by the publisher, payment is due 30 days from the date of invoice. If the advertiser has excess credit owing to the publisher, the publisher retains the right to cancel any additional advertisements.

---

## AGENCY COMMISSION

15 % of gross billing to recognized advertising agencies.

---

## CANCELLATION

All magazine ads must be cancelled at least 5 business days prior to space closing. Failure to do so will result in a 25% cancellation fee.
